THE SAGA OF JOHNNY BLAZE: Once, not so long ago, he was the pawn of Satan. He has since been freed. But, for reasons he cannot yet comprehend, he still possesses Satan-spawned strength and the searing touch of hellfire. Whether these supernatural powers are a blessing or a curse, he does not know. Yet...

WHAT TO SINK YOUR TEETH INTO WHEN YOU'RE HUNGRY AND YOU'RE NOT A WEREWOLF.

Every now and then, do you get this uncontrollable urge to bite into something that's really got some meat in it?

Are you tired of sugar-sweet snacks that dissolve in your mouth, and crunchy snacks that you can hardly tell you ate, and all the other boring stuff you have to put up with, every day?

Well, take heart. And, while you're at it, take Slim Jim along in your pocket.

Slim Jim is a chewy, all-meat snack that comes in five very un-boring flavors. Mild, spicy, salami, bacon, and pizza. And you can find it at the grocery store. Or at a lot of the places where you've been getting those sissy snacks.

You might want to carry a few extra ones, too. Then, if you meet a werewolf, you can give him something to sink his teeth into instead of you.

A LITTLE LESS THAN A MEAL. A LITTLE MORE THAN A SNACK.

Now You Can Use

A HEARTY HELPING OF HIGH-FALUTIN, HAUT-FOUNIN HAPPENINGS FROM YOUR HUMBLE HOUSE OF IDEAS!

STAN LEE'S SOAPBOX

The secret's out! SON OF ORIGINS goes on sale 'most any day now! And rather than have you pick up information from the kids on the street, we'll tell you ourselves exactly what it contains! Within its big, beautiful, full-color pages you'll find the fabulous origin stories of The X-MEN, IRON MAN, The AVENGERS, DAREDEVIL, SHIELD, The WATCHER, and also— as the greatest surprise bonus of the year— the original 38-page masterpiece presentation of the origin of— The SILVER SURFER! All that plus the original cover from each of the magazines, plus a few extra tales just 'cause we love ya, in the most beautiful gift edition you can imagine; for only $5.95 at your neighborhood bookstore for the elegant, colorful, luxury paperback version, or $9.95 for the cloth-bound hardcover edition! Now do you see why publishing insiders are betting that SON OF ORIGINS might even top the fantastic sales record of the best-selling ORIGINS OF MARVEL COMICS itself? Anyway, that's the good news. Now for the bad. In addition to all the great origin stories, you'll also find page after page of anecdotes and reminiscences by loveable ol' me! But don't worry about it. You don't really have to read them if you don't wanna! You should worry that I typed my fingers to the bone, pouring my heart out onto the printed page, just for you! Go ahead, just look at the pictures— see if I care! But, whatever you do, be sure to leave enough space on your bookshelf, because there'll probably be a third book in the series next year! We're planning to make it an annual event, like the All-Star Game, or Groundhog Day! And, after the books are out of print, imagine what your set may be worth! On second thought, forget the bookshelf. Maybe you'd better keep 'em in a vault!

Well, I'll sign off now, to give you a chance to recover from the emotional trauma I've just put you through! So, till we meet again, remember: why waste your fists to fight with a foe, when a smile might make him your friend?

Excelsior,

Stan

ITEM! You've been breaking down our door for them, you've demanded them, nay, you've verily threatened to storm our hallowed halls for them, and now, at last, they're here! What's here, we hear a voice pipe up from the Peanut Gallery? Why, nothing less than the scintillating second series of our merely magnificent Marvel Value Stamps! After facing every pothole and pitfall imaginable, your batty Bullpen has managed to put together the greatest, grandest, and goofiest grab-bag goodie ever offered for a mere handful of sheckles. Featuring the wildest stamps since Galactus sent the Silver Surfer by air-mail express to Hoboken, our latest and looniest stamp book contains ten superbly super and sensational **jigsaw puzzles**, featuring the finest artwork that money and discarded back-date issues of NOT BRAND ECCH can buy! Each miniscule and perforated piece of pictorial splendor represents just one-tenth of a pulsating pin-up, so when your Marvel Value Stampbook is complete, you'll have a regular portfolio of Marvel's Greatest Comic Heroes (Hey, that's not a bad name for a new book, Stan.) How and where to order this spanking-new stamp book? Well, keep your eyes peeled for these pages, 'cause in a month or two we'll spring the all-important info on ya. Who says this isn't the Marvel Age of Special Surprises?

ITEM! Speaking of shocking surprises and marvelous Marvel's magnificent merchandising, have ya seen the latest, merely the greatest tenth issue of FOOM Magazine yet? It only features an all-X-Men issue with a special capricious cover by that dynamic doodler, DAVE COCKRUM. But then, who in this, The Mighty Marvel Renaissance, hasn't seen and read those fantastic articles, or perused the inFOOMation section for what's coming down from the House of Ideas? Of course, if by some fluke, you are one of the very few who have not yet subscribed, you still have the chance by sending in that FOOM coupon found elsewhere in this mag. See how easy we make things for ya, Favored One?

ITEM! If you rush (don't walk) to your newsstands, you may still be able to find a copy of the MARVELOUS WIZARD OF OZ, featuring the sensational scripting of Rascally ROY THOMAS, the pulse-pounding pencilling of Big JOHN BUSCEMA, and the incredible inking by the talented TRIBE. Pick up Merry Marvel's magical adaptation of the MGM classic rightaway! It's sure to make comic mag history!

ITEM! Who ever heard of a comic book in which the lead character doesn't appear? Madcap Marvel, that's who! 'Cause, if you play your cards right and pick up the latest issues of TOMB OF DRACULA produced by our eternally erudite editor-in-chief Marvelous MARV WOLFMAN, Genial GENE COLAN, and Terrific TOM PALMER, you can not only catch the captivatin' climax of the two-year battle with Doctor Sun, but you may suddenly realize that the Lord Of Vampires isn't in the action. Howcum, True Believer? Well, take a peek behind the pages of Comicdom's number one magazine of fear. We've got a hunch you may dig what you see!

ITEM! Remember how we've always said you can't follow the artist/writer switches at Merry Marvel without a **scorecard**? Well, here it is! In the space provided below simply write in the initials of the artist/writer team working on each feature. Suggestion: use a **pencil**, and keep an **eraser** handy—you'll need it!

And if one or two of the strips listed above seem unfamiliar, it's probably because we haven't gotten around to announcing them yet—but hang in there! We'll tell all next month!

Wanna hear 5 far-out minutes of the FANTASTIC FOUR on radio each day, Monday through Friday? A new series is now in production— in stereo, with special sound effects, and narrated by Stan the Man! If it's not yet listed in your city, call or write the station manager or program director of your favorite station and tell him to contact our producer, Robert Michelson, 135 W. 87th St., NYC, NY 10024, pronto! We're slated for broadcast Sept. 8th, so kindle your kilocycles, 'cause Marvel's on the move! (and some day we may find out where we're going!)

"Look who's smiling now!"

Sometimes a man sets his ambitions high enough to make skeptics smile. But how often he gets the last laugh! One outstanding LaSalle graduate writes: "At the time I started studying with LaSalle, I was working as a factory clerk. Before completing the course I was transferred to cost accounting and my salary was increased by $1800. Now, having completed the course, I'm in charge of the department and on my way. LaSalle's course helped me pull myself out of a boring and ill-paid job into a position of opportunity."

The words in quotes come directly from one of the pleased reports that are sent to us by LaSalle graduates. LaSalle files contain many letters from men and women who have moved ahead with the help of LaSalle training. You, too, can prepare for the career opportunity of your choice through LaSalle home study — without interfering with your present work — and by devoting only a little of your spare time.

LaSalle has been a leader in home education for more than sixty years, enrolling over 2,000,000 ambitious men and women in its many courses. You study under the supervision of LaSalle's experienced faculty. Upon satisfactory completion of your study, you receive the LaSalle diploma — a respected credential.

Mailing the LaSalle postage-paid coupon alongside may be the first step toward preparing yourself for a better job, and the many good things that go with success. Simply check the program in which you are most interested, to receive a valuable free booklet describing the opportunities in that field. There is no obligation. LaSalle, 417 S. Dearborn Street, Chicago, Illinois 60605.
